

Absence & Substitute Overview

powered by ReadySub

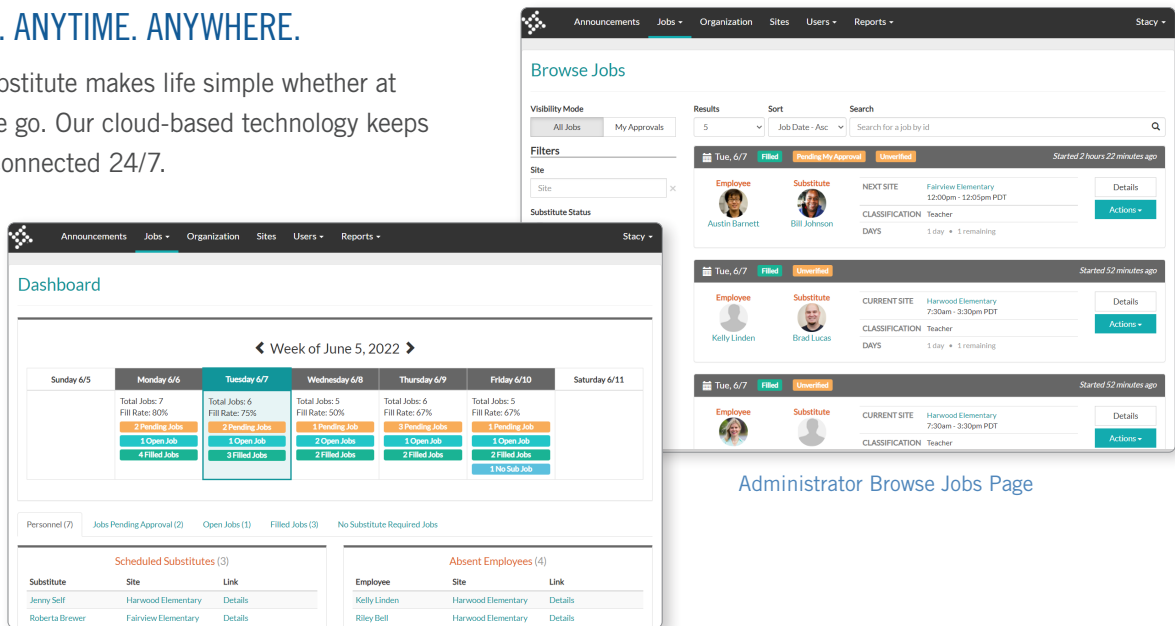

Tyler Technologies' Absence & Substitute solution, powered by ReadySub, is a powerful substitute scheduling and absence management tool, built for the K-12 environment. Post jobs, fill them with qualified substitutes, and track employee absences all from an easy-to-use dashboard.

BETTER OUTREACH

Absence & Substitute offers more notification options than any platform on the market including text messages, emails, phone calls, and the free My Sub K-12 mobile app. Substitutes can choose exactly how they'd like to be notified and accept jobs with just a click or tap of a finger.

ANY DEVICE. ANYTIME. ANYWHERE.

Absence & Substitute makes life simple whether at home or on the go. Our cloud-based technology keeps your network connected 24/7.

The image shows two screenshots of the Absence & Substitute web application. The left screenshot is the Administrator Dashboard, and the right screenshot is the Administrator Browse Jobs Page.

Administrator Dashboard: Shows a weekly overview for the week of June 5, 2022. It includes a table with columns for each day from Sunday 6/5 to Saturday 6/11. Each day's summary includes Total Jobs, Fill Rate, and counts for Pending, Open, and Filled jobs. Below the table are sections for Scheduled Substitutes (3) and Absent Employees (4).

Day	Total Jobs	Fill Rate	Pending	Open	Filled
Sunday 6/5	7	80%	3	4	0
Monday 6/6	6	75%	2	1	3
Tuesday 6/7	5	50%	1	2	2
Wednesday 6/8	6	67%	2	1	3
Thursday 6/9	5	60%	1	2	2
Friday 6/10	5	60%	1	1	3
Saturday 6/11	5	60%	1	1	3

Administrator Browse Jobs Page: Shows a list of job postings with details for each, including employee and substitute information, current site, classification, and days remaining.

SIMPLE DESIGN

The Absence & Substitute solution's clean layout and intuitive experience reduce training time and improve the onboarding and management experience.

INDUSTRY INTEGRATIONS

Absence & Substitute integrates with a wide variety of payroll, timekeeping, and applicant systems, reducing errors and keeping everything in sync.

IMPECCABLE SUPPORT

At Tyler Technologies, customer service is paramount. Each Absence & Substitute client is assigned a dedicated success team and all users — including employees and substitutes — have access to phone, chat, and email support.

WHY TYLER'S ABSENCE & SUBSTITUTE?

- More notification options than any other platform
- Sophisticated payroll and timekeeping integrations
- Simple interface and structured onboarding
- Dedicated support and continuous product improvement
