

# Gov2Go

*A Powerful Solution For A Better Experience For Residents*

## DESIGNED FOR THE RESIDENT

Gov2Go is a resident experience platform for government. It provides essential federal, state, and local government services to residents quickly and easily.

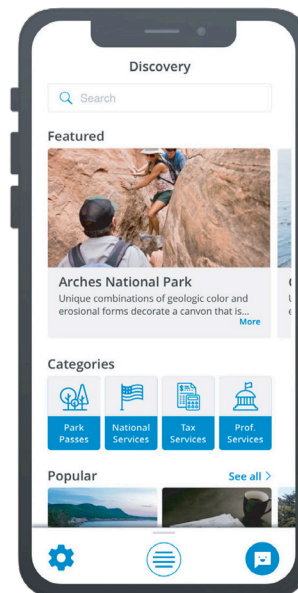

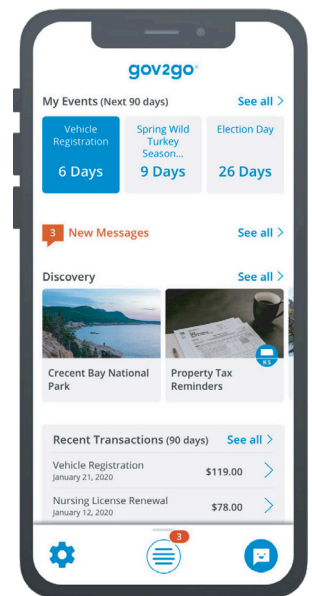

- All government tasks in one platform
- Predictive, personalized, and relevant service suggestions
- Timely reminders
- Secure transactions and payments

## MAJOR BENEFITS

Gov2Go has more than 3.6 million users across the country because it is the most convenient way to interact with government.

- Key services are available in all 50 states
- New features continually added
- Quick, low-cost implementation
- Low operational impact to current infrastructure
- Designed to evolve to support emerging technologies
